Letter of Transmittal

The Honourable Kevin Doherty
Minister of Parks, Culture and Sport, and
Minister Responsible for the Community Initiatives Fund

Dear Hon. Doherty:

In accordance with *The Tabling of Documents Act*, and on behalf of the Board of Trustees of the Community Initiatives Fund, it is my pleasure to present to you the Annual Report of the Community Initiatives Fund for the period April 1, 2012 to March 31, 2013, inclusive.

Respectfully submitted,

Tracey Mann

Dear Partners and Community Leaders,

With considerable pride, we report once again that the Community Initiatives Fund (CIF) has continued to successfully invest in Saskatchewan communities, with 932 grants approved resulting in a total investment of \$10,611,646 for the 2012-13 year. This year also marks a significant milestone for CIF, as we have now invested a cumulative total of over \$100 Million in Saskatchewan's communities since our first year of granting in 1996-97. Our ability to provide grants for the benefit of Saskatchewan residents is reliant upon the annual net revenues generated by the Regina and Moose Jaw casinos, with CIF's portion in 2012-13 equaling \$9,751,000.

To better support Saskatchewan communities, CIF completed the second phase of its program review this year. This review resulted in program extensions, amalgamation and alignment of CIF's suite of programs that will take effect April 2013. In addition, recognition of the CIF broadened during 2012-13 as the CIF responded to various priorities of many communities throughout the province.

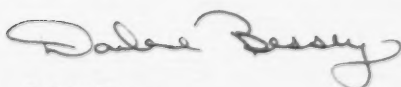

The highly popular Community Vitality Program has been extended for one additional year, providing two more application deadlines in 2013. Since Program inception in 2010, the CIF has approved \$10,209,873 with 647 grants through the Community Vitality Program and benefitting 312 Saskatchewan communities.

Branding and communication efforts continued with website promotion, attendance at trade shows and sector information-sharing workshops throughout the year. This has enhanced the CIF's presence and created a growing appreciation of the CIF among Saskatchewan communities. Over 1200 residents now receive the CIF's electronic newsletter featuring community projects and web resources for nonprofits and charities.

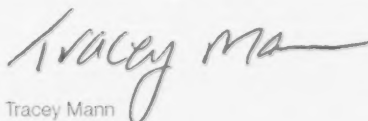

In addition to providing project funding, the CIF is committed to supporting Saskatchewan's nonprofit, charitable and community groups through facilitation of information-sharing venues, dissemination of tools and resources, and provision of opportunities for collaboration among these organizations. During 2012-13, the CIF provided significant support, both financial and in-kind, to explore the concept and feasibility of an independent Saskatchewan nonprofit network. Led by a provincial steering committee, and in partnership with the United Ways of Saskatoon and Regina, this initiative undertook a number of steps to determine the level of support, potential outcomes, and organizational models for a provincial network. This effort culminated with presentation of the findings and determination of next steps at a Provincial Summit in November that involved 150 sector leaders and resulted in agreement to further develop this network. The CIF will continue to support the second phase of this initiative throughout 2013-14 that will include further consultation to clearly identify objectives and a business model for a provincial entity.

We acknowledge our grant review partners, the Regional Intersectoral Committees and coordinators, the Saskatchewan Parks and Recreation Association, the Saskatchewan Ministry of Health, and Urban Aboriginal Committees in 14 municipalities throughout the province, and thank all for their engagement and dedication. The CIF also recognizes volunteer adjudication committee members for their continued involvement with the Community Vitality Program.

This appreciation extends wholeheartedly to the Ministry of Parks, Culture and Sport and the Government of Saskatchewan for its continued support of the CIF. The CIF works proudly with the Ministry and with the many innovative and dedicated community leaders throughout Saskatchewan. It is anticipated 2013-14 will be another great year.

Meet the Board

The Community Initiatives Fund (CIF) is a Special Purpose Fund created through *The Saskatchewan Gaming Corporation Act*, governed by a Board of eight members, and accountable to the Ministry of Parks, Culture and Sport. Board members are appointed by the Government of Saskatchewan, and are volunteers with extensive community-based experience. Esther Haas of Langenburg became CIF's newest Board member in June. Also in June, Board member Alan Tanchak was appointed for a second term.

L-R Front: Lynn Chipley, Terri Davis, Darlene Bessey; L-R Back: Alan Tanchak, Esther Haas, Dwight Lemon, Joe Ralko. Absent: Cara Merasty, Prince Albert.

Our Programs

The **Community Initiatives Fund** envisions vibrant, resilient, sustainable and proud Saskatchewan communities whose citizens are engaged and actively working to enhance quality of life.

Community Initiatives Fund (CIF) programming involves grants for community-led projects that help to foster community development, inclusion and leadership in Saskatchewan. CIF grants support opportunities for children, youth, family and community, Aboriginal inclusion

and participation, increased physical activity, enhanced awareness about problem gambling and for small capital community projects and milestone celebrations.

Our focus is clear; the CIF is supporting vibrant communities through tangible benefits that help to enhance the quality of life of Saskatchewan residents.

2012-13 Community Initiatives Fund Grant Recipients

Community Grant Program

Grants through the Community Grant Program closely align with the wellbeing of children, youth, families and community, and encourage community inclusiveness and engagement. There were 609 grants totaling \$5,666,376 approved through the Community Grant Program this year. The Community Grant Program is delivered with assistance from the Province's ten Regional Intersectoral Committees.

Community Vitality Program

Grants through the Community Vitality Program help address community needs relating to small capital projects and events that contribute to community pride. During 2012-13, the Community Initiatives Fund approved \$3,684,737 through 311 grants under this program. This included 233 grants totaling \$2,867,500 for small capital projects and 78 grants totaling \$817,237 for community pride projects. The Community Vitality Program is delivered with the assistance of two volunteer adjudication committees involving 13 individuals from across Saskatchewan. The Community Vitality Program will end March 31, 2014.

Management's Responsibility for Financial Reporting

Management has the responsibility for preparing the accompanying financial statements and ensuring that information in the Annual Report is consistent with the financial statements. This responsibility includes selecting appropriate accounting policies and making objective judgments and estimates in accordance with Canadian public sector accounting standards.

In discharging its responsibilities for the integrity and fairness of the financial statements and for the accounting systems from which they are derived, management maintains the necessary system of internal controls designed to provide assurance that transactions are authorized, assets are safeguarded and proper records are maintained.

Ultimate responsibility for financial statements lies with the Board of Trustees. An Audit Committee of Trustees is appointed by the Board to review financial statements in detail with management and report to the Board of Trustees prior to their approval of the financial statements for publication.

These financial statements have been examined by the independent auditors, Virtus Group LLP, and their report follows. The auditors meet with both the Audit Committee and management to review their findings and have full and free access to the Audit Committee to discuss their findings regarding the integrity of the Fund's financial reporting and the adequacy of the system of internal controls.

INDEPENDENT AUDITORS' REPORT

**To: Members of the Legislative Assembly
Province of Saskatchewan**

We have audited the accompanying financial statements of **Community Initiatives Fund**, which comprise the statement of financial position as at March 31, 2013, the statement of operations and accumulated surplus and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Fund's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Community Initiatives Fund as at March 31, 2013, and its results of operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Notes to Financial Statements

March 31, 2013

1. Nature of operations:

The Community Initiatives Fund (the "Fund"), previously known as the Associated Entities Fund, was established on August 23, 1996 by The Saskatchewan Gaming Corporation Act. It is managed by a Board consisting of eight people appointed by the Lieutenant Governor in Council. The Board is responsible for managing and operating the Fund.

Pursuant to The Saskatchewan Gaming Corporation Act, the Government of Saskatchewan receives, into the General Revenue Fund, certain gaming revenues. The Minister of Finance transfers a portion of these gaming revenues to the Fund. The Board of the Fund grants these revenues to persons, organizations or associations in Saskatchewan for purposes prescribed by the Lieutenant Governor in Council upon application to and approval by the Board.

The Fund has an agreement with Sask Sport Inc. to provide administrative services to the Fund. In 2013 Sask Sport Inc. was paid \$194,555 (2012 - \$194,555). The current agreement was originally signed for the term April 1, 2009 to March 31, 2012. The agreement has been renewed twice, for one year terms each time, and is therefore currently set to expire on March 31, 2014. In 2014 Sask Sport Inc. will be paid \$200,400.

2. Significant accounting policies:

The Fund uses generally accepted accounting principles as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants (PSAB). The following accounting policies are considered significant.

Grant expense:

Grants are recognized when a completed grant application is received, all eligibility criteria are met by an eligible organization, and approval is obtained from the Board.

Grant returns:

Grant returns are recognized when a completed follow up report is received indicating funds were not fully utilized and approval is obtained from the Board.

Use of estimates:

The preparation of financial statements in conformity with the PSAB requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates. Differences are reflected in current earnings when identified.

Revenue Recognition:

Transfers from the General Revenue Fund are recognized when received or receivable. Interest revenue is recognized when earned.

Investments:

Fixed income investments are recorded at amortized cost.

3. Designated net assets:

Pursuant to directions given under the governing legislation, the Board of the Fund has designated net assets as follows:

- **Community Grants** to provide project grants to community initiatives that enhance human development;
- **Community Vitality** to provide project grants to community initiatives that encourage local youth, voluntary and community actions to build sustainable communities and improve quality of life;
- **Physical Activity/Active Living** to fund projects aimed at increasing physical activity;
- **Problem Gambling** for initiatives to address problem gambling;
- **Regional Exhibition Associations** to fund the activities of the associations in their communities;
- **Urban Aboriginal** to support program development and leadership opportunities relating to culture, sport and recreation for First Nations and Métis peoples in 14 urban municipalities in Saskatchewan, the program was discontinued in 2013;
- **Youth Leadership** to increase access of youth projects to CIF funds and to promote engagement and leadership capacity of youth, including Aboriginal youth.

These designated net assets are not available for other purposes without the approval of the Board. Changes, during the current year, to these designated net assets were as follows:

	Beginning of year	Allocations	Net Grant Payments	End of year
Community Grants	\$ 4,423,050	\$ 5,561,001	\$(5,699,019)	\$ 4,285,032

5. Financial risk management:

Credit risk:

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The only significant receivable the Fund has at year end is with the Province of Saskatchewan which is low risk.

Currency risk:

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Fund is not exposed to any currency risk because it deals exclusively in Canadian currency.

Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Fund does not borrow any funds and only invests in fixed income instruments with a guaranteed rate of return which carry minimal interest rate risk.

Liquidity risk:

Liquidity risk is the risk that the entity will encounter difficulty in meeting obligations associated with financial liabilities. The Fund receives its funding from the Province of Saskatchewan prior to making grant commitments and maintains sufficient cash to meet current needs, therefore the exposure to liquidity risk is low.

Price risk:

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Fund does not invest in any equity instruments and only purchases government guaranteed fixed income instruments or those issued by a major Canadian bank so the price risk is low.

6. Related party transactions:

These financial statements include transactions with related parties. The Fund is related to all Saskatchewan Crown agencies such as ministries, corporations, boards and commissions under the common control of the Government of Saskatchewan. Also, the Fund is related to non-Crown enterprises that the Government jointly controls or significantly influences.

During the year, the Fund paid grants of \$638,795 (2012 - \$403,381) to certain Colleges, Universities, Saskatchewan Regional Health Authorities, Health Affiliates and Health Care Organizations for various initiatives. At March 31 there was \$483,026 owing to these related parties (2012 - \$69,670).

Other transactions with related parties and amounts due to/from them are described separately in these financial statements and the notes thereto.

7. Grants (net of returns):

Grant expense is reported on the Statement of Operations and Accumulated Surplus net of grant returns received during the year. In 2013 grant returns were \$445,407 (2012 - \$331,410).

8. Budget:

The budget was approved by the Board on March 15, 2012.

9. Accounting policy change:

On April 1, 2012 the Fund adopted accounting standards of the Public Sector Accounting Board (PSAB): PS 1201 Financial Statement Presentation, PS 2601 Foreign Currency Translation, PS 3410 Government Transfers, and PS 3450 Financial Instruments retroactively without restatement of prior periods. The adoption of these standards did not result in a change of the financial results for the Fund.

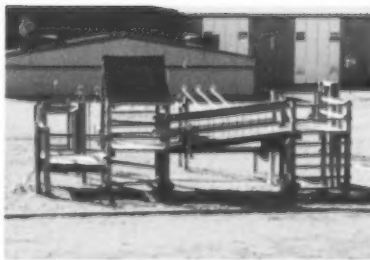

10. Financial Instruments:

The Fund, as part of its operations, carries a number of financial instruments which include cash, accounts receivable, investments, accounts payable and grants payable. All financial instruments are carried at amortized cost which approximates their fair value due to their relative short term maturities.

11. Statement of Remeasurement Gains and Losses:

A statement of remeasurement gains and losses has not been presented in these financial statements because all financial instruments are measured at amortized cost.

Working with community leaders to grow even greater communities!
